

**THE NEW GENERATION OF INTERACTIVE DISPLAYS**

Imagine being able to share videos, images, data, documents, catalogues with your colleagues or clients whilst sat around the same multi-touch desk surface. Imagine being able to simply throw these documents to business partners or clients on the other side of the

world through multi-touch video conferencing. Imagine being able to place your mobile phone onto a multi touch surface and upload presentations.

The future is here. This is Your Surface.

**BESPOKE SURFACE**

Available in a 40", 50" or 60" moduless units, we can put our technology into any bespoke casing to suit your application.

If you have a particular requirement for a range of products or a large number of furniture solutions to match your existing stock, Your Surface have the

furniture design and manufacturing expertise through our furniture partners to produce a bespoke range of furniture incorporating multi-touch hardware and software applications to meet your requirements.

**We can work to large orders.**
