

THE NEW GENERATION OF INTERACTIVE DISPLAYS

Imagine being able to share videos, images, data, documents, catalogues with your colleagues or clients whilst sat around the same multi-touch desk surface. Imagine being able to simply throw these documents to business partners or clients on the other side of the

world through multi-touch video conferencing. Imagine being able to place your mobile phone onto a multi touch surface and upload presentations.

The future is here. This is Your Surface.

MEETING TABLE

Available as a 40", 50" or 60" multi-user, multi-touch surface.

The meeting surface is distinctive by its huge choice of standard specifications allowing a truly tailored service from Hands with the possibility of creating fresh, contemporary styles through to a more classic, elegant look. These meeting tables coordinate

perfectly with the larger boardroom tables and desking in the Hands range.

Available with a choice between four groups of edges, from beautifully crafted solid timber, through to cleverly profiled MDF, these tables are designed to coordinate your existing furniture and offer incredible value and quality.
