

**THE NEW GENERATION OF INTERACTIVE DISPLAYS**

Imagine being able to share videos, images, data, documents, catalogues with your colleagues or clients whilst sat around the same multi-touch desk surface. Imagine being able to simply throw these documents to business partners or clients on the other side of the

world through multi-touch video conferencing. Imagine being able to place your mobile phone onto a multi touch surface and upload presentations.

The future is here. This is Your Surface.

**POSING TABLE**

Available in a 40", 50", 60" sizes, these multi-touch surfaces are contemporary, yet classically simple in design, enhancing any reception area, exhibition or conference facility.

Its clean lines offer a practical standing workstation and the range is surprisingly space effective

lending itself to buildings in expensive city centre developments. As well as being very cost effective, it can be specified in an individual or combination choice of over 80 veneers, giving a professional, corporate image.
